Chapter 2 – Three Card Baccarat Tables.

A. Three Card Baccarat shall be played at a table that has:

- (1) Betting positions for six players on one side of the table; and
- (2) A place for the dealer on the opposite side.

B. A facility operator shall submit to the Commission for approval the layout for a Three Card Baccarat table that contains at least:

- (1) The name or logo of the facility operator;
- (2) Six betting areas designated for the placement of the wagers for each player required under Chapter 7 – Wagers;
- (3) If a facility operator offers the optional Three King, Dragon, and Tie Bonuses authorized under Chapter 7 - Wagers, separate areas designated for the placement of the Three King, Dragon, and Tie Bonus Wagers for each player; and
- (4) Inscriptions that advise a player of the payout odds or amounts for all permissible wagers offered by the facility operator, except that if payout odds or amounts are not inscribed on the layout, a sign identifying the payout odds or amounts for all permissible wagers shall be posted at each Three Card Baccarat table.
- (5) If a facility operator offers:
 - (a) Commission Free Three Card Baccarat:
 - (i) Inscriptions that advise players that a wager that results in a tie shall push and be returned to the player if the player has more face cards than the dealer or both hands have the same number of face cards, except that if the information is not inscribed on the layout, a sign containing the information shall be posted at each Commission Free Three Card Baccarat table.

C. A Three Card Baccarat table shall have a:

- (1) Drop box and a tip box attached on the same side of the gaming table as, but on opposite side of, the dealer, as approved by the Commission; and
- (2) Discard rack securely attached to the top of the dealer's side of the table.

Maryland State Lottery and Gaming Control Agency

Chapter 3 - Cards; Number of Decks.

A. Except as provided in §B of this chapter, Three Card Baccarat shall be played with one deck of cards that has:

(1) Cards that are identical in appearance; and

(2) One cover card.

B. If an automated card shuffling device is used; Three Card Baccarat may be played with two decks of cards in accordance with the following requirements:

(1) The cards in each deck shall be of the same design;

(2) The backs of the cards in one deck shall be of a different color than the cards included in the other deck;

(3) One deck shall be shuffled and stored in the automated card shuffling device while the other deck is being used to play the game;

(4) Both decks are continuously alternated in and out of play, with each deck being used for every other round of play; and

(5) The cards from only one deck are placed in the discard rack at any given time.

C. The decks of cards used in Three Card Baccarat shall be changed at least every:

(1) Four hours, if the cards are dealt by hand; and

(2) Eight hours, if the cards are dealt from a manual or automated dealing shoe.

Chapter 4 - Opening a Table for Gaming.

A. After receiving one or more decks of cards at the table, the dealer shall inspect the cards for any defects and a floorperson assigned to the table shall verify the inspection.

B. After the cards are inspected, the dealer shall spread the cards out face up on the table, in horizontal fan shaped columns by deck according to suit and in sequence, for visual inspection by the first player to arrive at the table.

C. After the first player arriving at the table has been afforded an opportunity to visually inspect the cards, the dealer shall:

- (1) Turn the cards face down on the table;
- (2) Mix the cards thoroughly by washing them; and
- (3) Stack the cards.

D. After the cards have been stacked, the dealer shall shuffle them in accordance with Chapter 5 – Shuffling and Cutting the Cards.

E. If an automated card shuffling device is utilized and two decks of cards are received at the table, each deck of cards shall be spread for inspection, mixed, stacked and shuffled in accordance with §§A—D of this chapter.

F. If the decks of cards received at the table are pre-inspected and pre-shuffled, §§A—E of this chapter do not apply.

Chapter 5 - Shuffling and Cutting the Cards.

A. Unless the cards were pre-shuffled, the dealer shall shuffle the cards so they are randomly intermixed, manually or with an automated card shuffling device:

- (1) Immediately prior to commencement of play;
- (2) After each round of play has been completed; or
- (3) When directed by a floorperson or above.

B. A facility operator may use an automated card shuffling device which inserts the stack of cards directly into a dealing shoe after shuffling is complete, and the deck shall be removed from the table if an automated card shuffling device:

- (1) Is being used which counts the number of cards in the deck after the completion of each shuffle and indicates whether 52 cards are present; and
- (2) The device reveals that an incorrect number of cards are present.

C. Upon completion of the shuffle, the dealer or automated shuffling device shall place the deck of cards in a single stack, and:

- (1) If the cards were shuffled using an automated card shuffling device, deal the cards in accordance with Chapters 8 - Procedure for Dealing Cards from a Manual Dealing Shoe, 9 - Procedure for Dealing Cards from the Hand or 10 - Procedure for Dealing Cards from an Automated Dealing Shoe or Shuffler.
- (2) If the cards were shuffled manually or were pre-shuffled, cut the cards in accordance with the procedures in §D of this chapter.

D. If a cut of the cards is required, the dealer shall place the cover card in the stack at least ten cards in from the top of the stack.

- (1) After the cover card has been inserted, the dealer shall take all cards above the cover card and the cover card and place them on the bottom of the stack.
- (2) The stack of cards shall then be inserted into the dealing shoe for commencement of play.

E. After the cards have been cut and before any cards have been dealt, a floorperson or above may require the cards to be recut if the floorperson determines that the cut was performed improperly or in any way that might affect the integrity or fairness of the game.

F. If there is no gaming activity at a Three Card Baccarat table which is open for gaming, the dealer shall:

(1) Remove the cards from the dealing shoe and discard rack;

(2) Unless a player requests that the cards be spread face up on the table, spread out the cards on the table face down; and

(3) After the first player arriving at the table is afforded an opportunity to visually inspect the cards, complete the procedures in this section and Chapter 4 – Opening a Table for Gaming.

G. A facility operator may use a dealing shoe or other device that automatically reshuffles and counts the cards provided that the device is submitted to the Commission and approved prior to its use in the facility.

H. If a facility operator is using a device described in §G of this chapter, §§D—F of this chapter do not apply.

Chapter 7 - Wagers.

A. A player shall make a wager at Three Card Baccarat by placing a value chip, plaque, or other Commission-approved table game wagering instrument on the appropriate areas of the table layout.

B. Placing Wagers.

(1) Only a player who is seated at a Three Card Baccarat table may wager at the game.

(2) After a player has placed a wager and received cards, the player shall remain seated until the completion of the round of play.

(3) If a player leaves the table during a round of play, any wagers made by the player may be considered abandoned and may be treated as a losing wager.

C. All wagers at Three Card Baccarat shall be placed prior to the dealer announcing “no more bets” in accordance with the dealing procedures in Chapters 8 – Procedures for Dealing Cards from a Manual Dealing Shoe, 9 – Procedures for Dealing the Cards from the Hand, or 10 – Procedures for Dealing Cards from an Automated Dealing Shoe.

D. Except as provided in Chapter 11 – Procedures for Completing a Round of Play, a wager may not be made, increased, or withdrawn after the dealer has announced “no more bets”.

E. Three Card Baccarat Wagers.

(1) A player competes against the dealer by placing an Ante Wager, in accordance with Chapter 11 – Procedures for Completing a Round of Play.

(2) If specified in its Rules Submission, a facility operator may offer to each player at a table designated as a Three Card Baccarat table or as a Commission Free Three Card Baccarat table the option to make an additional Three Kings, Tie, and Dragon Bonus Wagers.

Chapter 8 - Procedures for Dealing Cards from a Manual Dealing Shoe.

A. If a manual dealing shoe is used, it shall be located on the table in a location approved by the Commission.

B. After the procedures required under Chapter 5 – Shuffling and Cutting the Cards have been completed, the stacked deck of cards shall be placed in the dealing shoe by the dealer or by an automated card shuffling device.

C. Prior to dealing any cards, the dealer shall announce “no more bets.”

D. The dealer shall:

(1) Remove each card from the dealing shoe with the hand of the dealer that is closest to the dealing shoe and place each card on the appropriate area of the layout with the opposite hand;

(2) Starting with the player farthest to the dealer’s left and continuing around the table in a clockwise manner, deal one card at a time to a player who has placed a wager in accordance with Chapter 11- Procedures for Completing a Round of Play and to the dealer until each player who placed a wager and the dealer have three cards; and

(3) After three cards have been dealt to each player and the dealer:

(a) Remove the stub from the manual dealing shoe; and

(b) Except as provided in §E of this chapter, place the stub in the discard rack without exposing the cards.

E. If an automated card shuffling device described in Chapter 5 – Shuffling and Cutting the Cards is not being used, the dealer shall count the stub at least once every 5 rounds of play to determine if the correct number of cards are still present in the deck.

F. Determining the Number of Cards.

(1) The dealer shall determine the number of cards in the stub as required under §E of this chapter by counting the cards face down on the layout.

(2) If the count of the stub indicates that 52 cards are in the deck, the dealer shall place the stub in the discard rack without exposing the cards.

Maryland State Lottery and Gaming Control Agency
Standard Rules – Three Card Baccarat

- (3) If the count of the stub indicates that the number of cards in the deck is not 52, the dealer shall determine if the cards were misdealt.

- (4) If 52 cards remain in the deck but the cards were misdealt so that a player has more or less than three, all hands are void, and the dealer shall return all wagers to the players.

- (5) If the cards were not misdealt, all hands are void and the dealer shall return all wagers to the players and remove the entire deck of cards from the table.

Chapter 9 - Procedures for Dealing the Cards from the Hand.

A. Requirements. If the cards are dealt from the dealer's hand, the following requirements shall be met:

- (1) An automated shuffling device shall be used to shuffle the cards.
- (2) After the procedures required under Chapter 5 – Shuffling and Cutting the Cards have been completed, the dealer shall place the stacked deck of cards in either hand.
- (3) After the dealer has chosen the hand in which the dealer will hold the cards, the dealer shall continue to use that hand whenever holding the cards during that round of play.
- (4) The cards held by the dealer shall be kept over the table inventory container and in front of the dealer at all times.
- (5) Before dealing any cards, the dealer shall announce “no more bets.”

B. The dealer shall:

- (1) Starting with the player farthest to the dealer's left and continuing around the table in a clockwise manner, deal one card at a time to a player who has placed a wager in accordance with Chapter 11 – Procedures for Completing a Round of Play and to the dealer until each player who placed a wager and the dealer have three cards; and
- (2) After three cards have been dealt to each player and the dealer:
 - (a) Remove the stub from the manual dealing shoe; and
 - (b) Except as provided in §C of this chapter, place the stub in the discard rack without exposing the cards.

C. If an automated card shuffling device described in Chapter 5(B) – Shuffling and Cutting the Cards is not being used, the dealer shall count the stub at least once every 5 rounds of play to determine if the correct number of cards are still present in the deck.

D. Determining the Number of Cards.

- (1) The dealer shall determine the number of cards in the stub as required under §B(2) of this chapter by counting the cards face down on the layout.

Maryland State Lottery and Gaming Control Agency
Standard Rules – Three Card Baccarat

(2) If the count of the stub indicates that 52 cards are in the deck, the dealer shall place the stub in the discard rack without exposing the cards.

(3) If the count of the stub indicates that the number of cards in the deck is not 52, the dealer shall determine if the cards were misdealt.

(4) If 52 cards remain in the deck but the cards were misdealt so that a player has more or less than three, all hands are void, and the dealer shall return all wagers to the players.

(5) If the cards were not misdealt, all hands are void and the dealer shall return all wagers to the players and remove the entire deck of cards from the table.

Chapter 10 - Procedures for Dealing Cards from an Automated Dealing Shoe.

A. If the cards are dealt from an automated dealing shoe, the following requirements shall be met:

(1) After the procedures required under Chapter 5 – Shuffling and Cutting the Cards have been completed, the cards shall be placed in the automated dealing shoe.

(2) Prior to the dealing shoe dispensing any stacks, the dealer shall announce “no more bets.”

B. The dealer shall:

(1) Starting with the player farthest to the dealer’s left and continuing around the table in a clockwise manner, deal a stack of three cards dispensed from the automated dealing shoe or shuffler to each player who has placed a wager in accordance with Chapter 11 – Procedures for Completing a Round of Play and to the dealer; and

(2) After each stack of cards has been dispensed and delivered:

(a) Remove the stub from the automated dealing shoe; and

(b) Except as provided in §C of this chapter, place the cards in the discard rack without exposing the cards.

C. Determining the Number of Cards.

(1) If the count of the stub indicates that 52 cards are in the deck, the dealer shall place the stub in the discard rack without exposing the cards.

(2) If the count of the stub indicates that the number of cards in the deck is incorrect, the dealer shall determine if the cards were misdealt.

(3) If 52 cards remain in the deck but the cards were misdealt so that a player has more or less than three cards, all hands are void and the dealer shall return all wagers to the players.

(4) If the cards were not misdealt, all hands are void and the dealer shall return all wagers to the players and remove the entire deck of cards from the table.

Chapter 11 - Procedure for Completing a Round of Play.

A. After the dealing procedures required under Chapters 8 - Procedure for Dealing Cards from a Manual Dealing Shoe, 9 - Procedure for Dealing Cards from the Hand or 10 - Procedure for Dealing Cards from an Automated Dealing Shoe or Shuffler have been completed, a player shall examine the player's cards subject to the following limitations:

- (1) A player who wagers at Three Card Baccarat is responsible for the player's hand;
- (2) No individual other than the dealer and the player to whom the cards were dealt may touch the cards of that player;
- (3) A player shall keep the player's cards in full view of the dealer at all times;
- (4) A player may not exchange or communicate information regarding the player's hand prior to the dealer revealing the dealer cards; and
- (5) Any violation of §§A(1)—(4) of this chapter shall result in a forfeiture of all wagers on that round by the player in violation.

B. After all players have examined their cards and placed them face down on the layout, the dealer will expose the dealer's hand.

(1) Notwithstanding §B(2) of this chapter, if the folding player made a Three Kings Wager, Tie Wager, or Dragon Bonus Wager, the player's cards shall be left on the table until all wagers are resolved in accordance with §C of this chapter.

(2) Starting with the player farthest to the dealer's left and moving clockwise around the table, the dealer shall resolve the wagers of each remaining player one at a time, as follows:

- (a) If the player's hand is ranked lower than the dealer hand, the losing Ante wager shall immediately be collected by the dealer and placed in the table inventory container.
- (b) If the player's hand is ranked higher than the dealer hand, pay the Ante wager in accordance with the payout odds in Chapter 12 – Payout Odds; and
- (c) If the rank of the player's hand and dealer hand are equal, return the player's Ante wager.
- (d) If the table is designated for play as a Commission Free Three Card Baccarat table and the player's hand is equal to the dealer's hand, and the player has more face cards than the dealer or both hands have the same number of face cards, then the Ante wager is pushed.

(3) Notwithstanding §B(2) of this chapter, if the player has made a Three Kings, Tie, and/ or Dragon Bonus Wager, the player's cards will remain on the layout; and
