

## **STAFF AGENDA MEMORANDUM**

**DATE OF MEETING:** November 21, 2019

**AGENDA ITEM:** **MGM National Harbor Request to Continue the Temporary Reduction of Its VLT Allocation and Continue the Waiver of COMAR 36.04.02.02(E)(2)**

**PRESENTER:** James Logue, Managing Director, Gaming

**ISSUE SUMMARY:** MGM has submitted a request to continue the temporary reduction of the authorized number of VLTs on its gaming floor and to continue to waive COMAR 36.04.02.02.(E)(2) (A temporary removal that is not restored to operation within 365 days shall become a permanent removal), for an additional one year period, until December 8, 2020.

On November 15, 2018, the Commission granted MGM's requested extension of a temporary reduction of the minimum authorized number of VLTs on its gaming floor and to preserve MGM's full 3,600 VLT allocation, which waiver will expire on December 8, 2019, unless extended.

MGM will maintain a minimum of 3,130 but not more than 3,600 VLTs until December 8, 2020. The extension of these requests will allow MGM to further explore potential opportunities for the further expansion of the gaming floor. MGM believes continuing the reduction for an additional one year period should be revenue neutral to positive for the state. The MGM request and current floor plan can be found on the MLGCA shared drive under commission reports (Logue Confidential).
