E. Randolph Marriner, Chairman
c/o Gordon Medenica, Director
Maryland State Lottery and Gaming Control Agency
1800 Washington Blvd. Suite 330
Baltimore, MD 21230

Chairman Marriner:

The following Maryland named casinos, Horseshoe Baltimore Casino, MGM National Harbor Casino, Ocean Downs Casino, Rocky Gap Casino, and Hollywood Perryville Casino, respectfully request that for fiscal year 2021, that 20% of total video lottery terminal and table games proceeds allowed to be given away as free promotional play based off of fiscal year 2019 revenues as opposed to the prior fiscal year as pursuant to COMAR regulation 36.03.10.36 F(2), Limitation of Free Promotional Play.

I. Reason for Waiver Request

As a result of the COVID- 19 pandemic-mandated closures and subsequent operating restrictions, the aforementioned Maryland casinos' fiscal 2020 gaming revenues have been adversely impacted. The five casinos are requesting, instead of limiting the amount of money given away as free promotional play by proceeds received and generated "in the prior fiscal year" as required under COMAR 36.03.10.36 F(2), fiscal year 2019 revenues be used as the basis for the 2021 tax free promotional cap.

On behalf of and with the consent of MGM National Harbor Casino, Ocean Downs Casino, Rocky Gap Casino, Hollywood Perryville Casino, and Horseshoe Baltimore Casino
