**.30 Progressive Proposal.**

(A. – C. text unchanged)

D. A transfer of an available progressive jackpot amount under §C(2) of this regulation shall involve:

(1) The entire amount;

(2) Transfer to the:

(a) Progressive meter of a video lottery terminal with the same:

(i) Or greater probability of winning the progressive jackpot;

(ii) Or lower wager requirement to be eligible to win the progressive jackpot; and

(iii) Type of progressive jackpot award; or

(b) Progressive meters of two separate video lottery terminals provided each terminal to which a jackpot amount is transferred individually satisfies the requirements of §D(2)(a) of this regulation; and

(3) Disclosure of the intent to transfer an available progressive jackpot amount on the front of a video lottery terminal in a manner specified by the Commission for at least ~~40~~ **14** days prior to the intended date of transfer.

E. Removal from the gaming floor of a video lottery terminal offering a progressive jackpot under §C(3) of this regulation shall require:

(1) If the removal involves one or more linked video lottery terminals offered in:

(a) A single facility, that at least two linked video lottery terminals offering the same progressive jackpot remain on the gaming floor; and

(b) More than one facility, that the facility operator retain at least one linked video lottery terminal offering the same progressive jackpot on its gaming floor; and

(2) In every case, disclosure of the intent to transfer an available progressive jackpot on the front of a video lottery terminal in a manner specified by the Commission for at least 14 days prior to the intended date of transfer.

F. Nothing in this regulation shall preclude the Commission from imposing additional terms and conditions on a modification of a progressive proposal.
