Maryland's Sports Wagering Law is located in SG Title 9, Subtitle 1E, and the regulations promulgated the Commission are found in COMAR 36.10. Collectively, SG § 9-1E *et seq.* and COMAR 36.03 are referred herein as the "Sports Wagering Law".

The cites referenced within this application are for explanatory purposes only, are subject to change, may be different from what is provided, and should not be relied upon. You are expected to be familiar with the current Sports Wagering Law and Gaming Law; updates and information may be found at <https://www.mdgaming.com/>.

Failure or refusal to adhere to the Gaming Law and Sports Wagering Law may result in the Commission imposing sanctions and/or penalties, to include, but not be limited to, placing conditions on the applicant; suspension or cancellation of the certification; and/or fines, and may result in criminal and/or civil charges being filed against the certificate holder.

SECTION A - ELIGIBILITY

A.1 A **Sponsoring Entity** is an applicant for, or a holder of a/an:

- (a) Video Lottery Facility (Casino) License;
- (b) Gaming Manufacturer License;

- (g) Online Sports Wagering Operator License; or
- (h) Sports Wagering Contractor License.

A.2 A "Vendor" has the meaning stated in Code of Maryland Regulation ("COMAR") 36.03.02.17 and COMAR 36.10.06.11 and is any person who provides non-gaming or non-sports wagering goods and services to a Sponsoring Entity.

A Non-Gaming or Non-Sports Wagering Vendor is **prohibited** from providing or attempting to provide any gaming or sports wagering goods, services, parts components or supplies unless **licensed** by the Commission as a:

- (a) Gaming Manufacturer;
- (b) Gaming Contractor; or
- (c) Sports Wagering Contractor.

A.3 Pursuant to COMAR 36.03.02.17 and COMAR 36.10.06.11, a Vendor, unless exempt, is required to be registered or certified with the Commission **prior to conducting any business** with a Maryland Sponsoring Entity.

SECTION B - APPLICATION CLASSIFICATION

- B.1** A Vendor must determine the correct application based on the **combined total value within a calendar year** of non-gaming and/or non-sports wagering goods and services provided to, or anticipated to be provided to, a Sponsoring Entity or to multiple Sponsoring Entities.
- B.2** As described in COMAR 36.03.02.17 and COMAR 36.10.06.11, a Vendor that provides, or anticipates providing, non-gaming and/or non-sports wagering goods and services within a calendar year with a combined total value of:
- (a) Less than \$20,000 to a Sponsoring Entity is **exempt** from submitting an application to the Commission, but is required to be registered with Maryland SDAT;
 - (b) \$20,000 to \$299,999 to a single Sponsoring Entity is required to be **Registered** by the Commission (Form 1023);
 - (c) \$20,000 to \$599,999 to multiple Sponsoring Entities is required to be **Registered** by the Commission (Form 1023);

- B.3** The Commission monitors all payments to Vendors by each Sponsoring Entity. If the Commission determines that a Vendor's combined total value of non-gaming and/or non-sports wagering goods and services is approaching a prescribed threshold, the Sponsoring Entity may delay or cease payments to the Vendor to prevent a violation of the Gaming Law or Sports Wagering Law.

If the Commission determines that a Vendor's combined total value of goods and services has exceeded a prescribed threshold, the Sponsoring Entity is **required** to cease payments to the Vendor.

If a Vendor, approaching a prescribed threshold, anticipates providing non-gaming and/or non-sports wagering goods and services which have a combined value exceeding a prescribed threshold, the Vendor is required to submit the pertinent application to the Commission. The Vendor is prohibited from conducting business which will exceed a prescribed threshold until the Commission approves the Vendor's pertinent and proper application.

If a Vendor exceeded a prescribed threshold, the Vendor is required to submit the pertinent and proper application to the Commission. The Vendor is prohibited from conducting any further business until the Commission approves the Vendor's pertinent and proper application.

Violations of Gaming Law and Sports Wagering Law related to the combined total value of non-gaming and non-sports wagering goods and services provided by a Vendor may result in **penalties or sanctions against a licensee or cancellation of a Vendor's registration or certification.**

SECTION C – VARIOUS VENDOR-RELATED FORMS

- C.1 Non-Construction-Based Vendor Certification, Form 1021.** If a Vendor provides, or anticipates providing, non-gaming and/or non-sports wagering goods and services for the duration of the hospitality phase (i.e. gaming and sports wagering operations), then the Vendor is a non-construction-based Vendor and if certification is required, see Section B.2, then Form 1021 must be submitted to the Commission.
- C.2 Construction-Based Vendor Certification Application, Form 1021CC.** If a Vendor provides, or anticipates providing, non-gaming and/or non-sports wagering goods and services during the construction phase for a Sponsoring Entity then it is a construction-based Vendor. This includes construction management, general contractors and subcontractors. If certification is required, see Section B.2, then Form 1021CC must be submitted to the Commission.
- C.3 Vendor Registration, Form 1023.** As described in Section B.2 and as provided by COMAR 36.03.02.17 and COMAR 36.10.06.11, if a Vendor provides or anticipates providing non-gaming or non-sports wagering goods and services between \$20,000 to \$299,999 to a single Sponsoring Entity or between \$20,000 to \$599,999 to multiple Sponsoring Entities in a calendar year, then it is required to be registered with the Commission.
- C.4 Emergency Usage of Non-Approved Vendor Services, Form 1024.** This form is completed by the Sponsoring Entity and not the prospective Vendor. As provided by COMAR 36.03.02.17 and COMAR 36.10.06.11, this notification via Form 1024 must be completed by the Sponsoring Entity and submitted to the Commission if a Sponsoring Entity encounters an emergent threat to public health, safety, or welfare that is outside its control and requires immediate provision of goods or services by a Vendor. This emergency notification shall occur no later than the next State work day.

SECTION G - IMPORTANT NOTICES

- G.1 Official Document.** This form is an official document of the Maryland Lottery and Gaming Control Commission ("Commission"). It may not be altered or changed, except to insert the information that is required. Any alteration or change to this document may cause the application or your Vendor's certification to be delayed or denied.
- G.2 Accuracy, Completeness, and Truthfulness.** You **must** make accurate statements and include all material facts. Any misrepresentation, failure or refusal to provide any required information; intentional omissions of material facts; misrepresentation of details; or failure or refusal to meet any other requirement as set out in the Gaming Law and Sports Wagering Law may result in the denial of the application. False or misleading statements to the Commission may subject a Vendor applicant to civil and/or criminal penalties. All submissions are subject to verification.
- G.3 Vendor's Conduct.** Upon receipt of the certification fee, completed form and verification of the information provided by the Vendor, the Commission will determine whether the Vendor's conduct of business with the Sponsoring Entity is consistent with the public interest of the State and the policies in the Gaming Law and Sports Wagering Law. If the Vendor's conduct is contrary to public interest of the State or the policies of the Gaming Law and Sports Wagering Law then the Commission shall deny the Vendor's request for certification.
- G.4 SDAT Compliance.** Failure or refusal to maintain the criteria for approval, to include compliance with all Maryland State Department of Assessments and Taxation ("Maryland SDAT") regulations, may lead to the Commission suspending or cancelling the Vendor's certification. Applicant's compliance with Maryland SDAT regulations **will be audited periodically**.
- G.5 Denials.** The Commission's decision to deny or cancel a Vendor certification, or denial of the renewal of a Vendor certification does not give rise to an appeal right under the contested case provisions of the Maryland Administrative Procedure Act. COMAR 36.03.02.17; COMAR 36.10.06.11.
- G.6 Continuing Obligation.** A Vendor is under a continuing obligation to promptly disclose any changes in information provided in the application, as well as, any changes to the materials submitted in connection with this Application. The duty to make such additional disclosures shall continue throughout any period of certification.
- G.7 Changes to Submitted Information.** The applicant shall promptly provide written notification to the Commission of any corrections or changes to this application once submitted or to materials submitted in connection with this Application. The duty to notify the Commission in writing of any changes or corrections shall continue throughout any period of certification.

Changes in the ownership of the Vendor; transfer or departure of individuals (e.g. any officer, partner, director, management or supervisory employees, or the designated point-of-contact); physical/email addresses; or phone numbers **require written notification** to the Commission. The Vendor must immediately submit a Vendor Change of Information Form - Certified Vendor, Form 1021U, available at <https://www.mdgaming.com/licensing/vendors/>.

G.8 Changes to Vendor's Business Name. The Vendor may only conduct business with a Sponsoring Entity by the name approved by the Commission. If a Vendor changes the name of the company with which it conducts business with a Sponsoring Entity, the Vendor must immediately submit a Vendor Change of Information Form - Certified Vendor, Form 1021U, available at <https://www.mdgaming.com/licensing/vendors/>.

G.9 Required Disclosures. Applicants are required to disclose to the Commission each person or entity who owns more than five percent (5%) of the Applicant's business. See **I.8**. Additional disclosures include those officers, partners and directors, as well as, each employee in a position of supervision or management, who are responsible for directly or significantly overseeing, administering or controlling the provision of goods and/or services to a Sponsoring Entity. See **I.7** and **I.9**.

Each individual listed on **I.7**, **I.8** and **I.9** is required to submit a notarized Authorization for Release of Information form.

It is recommended that each individual listed on **I.7**, **I.8** and **I.9** contact the Maryland Department of Budget and Management's Central Collections Unit at (410) 767-1220 to determine if the individual has any unpaid debts owed to the State of Maryland.

G.10 Sensitive Personally Identifiable Information ("PII"). The 'eLicensing' system is designed to protect the PII of each individual the Vendor applicant submits to the Commission. The Sponsoring Entity is not given access to the PII. The Sponsoring Entity will only have access to a list of the names of the individuals the Applicant enters into **I.7**, **I.8** and **I.9** so that the Sponsoring Entity can track the Applicant's submission of all **required documents** (i.e. Authorization for Release of Information forms, Affidavit of Applicant, Acknowledgment and Disclosure, etc.).

G.11 Maryland SDAT. A company must be registered with Maryland SDAT to legally conduct business in Maryland. Companies must maintain compliance with Maryland SDAT laws for the duration of their certification by the Commission.

Submit a *.pdf* of the Applicant's "Good Standing" status or "Trade Name Registration" with Maryland SDAT (**not** a certificate from the Maryland Comptroller's Office) to the Vendor Administrator. The Applicant may submit a copy of the 'General Information' page <https://egov.maryland.gov/BusinessExpress/EntitySearch/Search> that displays the status. The Applicant will **not** need to click on the >>*Order Certificate of Status* (unless one is needed one for the Applicant's company records). The \$20 copy of the certificate from Maryland SDAT is **not needed** for this application process.

The Vendor Administrator will upload the *.pdf* into 'eLicensing' on behalf of the Applicant.

Information regarding the Maryland SDAT registration process may be found at: <http://dat.maryland.gov/Pages/default.aspx>.

NOTE: The Commission periodically monitors each Vendor's compliance with Maryland SDAT. Vendors who fail to abide by Maryland SDAT regulations and allow their Maryland Business Charter to become "Forfeited" may no longer conduct business in Maryland. The Vendor's certification by the Commission will be **cancelled**, and the Vendor will be prohibited from conducting business with any Sponsoring Entity.

G.12 PIA Requests. An Applicant should clearly identify those portions of their application that they deem to be confidential, proprietary commercial information, trade secrets, or confidential financial information of the Applicant and provide justification of why such materials may not be disclosed by the Commission pursuant to a request made under the Public Information Act ("PIA"), Title 4, Subtitle 3, General Provisions Article, Annotated Code of Maryland ("GP"). An Applicant's blanket statement that its entire application is "confidential" is unacceptable. Confidential information supplied by the Applicant shall be used in the ordinary course of processing an application and evaluating the qualifications of an Applicant.

Applications may be subject to partial disclosure pursuant to a request under the PIA. When the Commission receives a PIA request, Staff will collect and review all records that are responsive to the request. The Commission will notify an Applicant of a request made under the PIA and will consider the Applicant's views as to whether the requested information is exempt from disclosure under the PIA. The Commission will make a determination as to whether the information may be disclosed.

G.13 Qualification to Provide Goods and Services. Once a Vendor is certified by the Commission, the Vendor is authorized to conduct business with all Sponsoring Entities. The Vendor is not required to submit a new application for each new Sponsoring Entity with whom the Vendor contracts to provide goods and services.

G.14 Supplemental Documentation. The Commission may request additional financial and other information, as needed.

The Vendor Administrator will upload the documents into the 'eLicensing' system on behalf of the Applicant.
