[Totals may not add due to rounding.]

- **Handle** is the amount of wagers made by players during the reporting period, including promotional play, if any.
 - **Hold Percentage** is determined based on wagers that were placed during the reporting period even if the sporting event has not concluded. As a result, the reported Hold will change as wagers are settled in future periods.
 - **Other Deductions** include such things as federal excise taxes paid and loss carryforward. Loss carryforward occurs when a Licensee pays out more in prizes than the amounts wagered during a month. Losses not recovered in the current month may be carried forward and deducted from Taxable Win within the subsequent three months.
 - **Contributions to the State** represent funds payable to the BluePrint for Maryland’s Future.
 - **Expired Prizes** are included in the Prizes Paid total in the month they expire. Funds are transferred to the Problem Gambling Fund.
- Note:** Handle and prizes paid during the Controlled Demonstrations conducted by each Licensee are included in their initial monthly data.
