SECTION A - IMPORTANT NOTICES

- A.1** This form is an official document of the Commission, and may not be altered or changed, except to insert the information that is required. Any alteration or change to this document is prohibited.
- A.2** An Applicant ***must*** make accurate statements and include all material facts. Failure or refusal to provide any required information; intentional omissions of material facts; misrepresentation of details; or failure or refusal to meet any other requirement as set out in law or regulation may result in the denial of the application. False or misleading statements to the Commission may subject a Vendor applicant to civil and/or criminal penalties. All submissions are subject to verification.
- A.3** An approved Vendor who is submitting changes to an initial application or updating previously approved changes must present sufficient justification of its suitability for continued approval by the Commission. The burden of proof remains with the Vendor. Failure or refusal to maintain the criteria for approval, to include compliance with Maryland SDAT regulations, may lead to the Commission suspending or cancelling the Vendor's approval.
- A.4** The Commission's decision to cancel a vendor registration or vendor certification does not give rise to an appeal right under the contested case provisions of the Maryland Administrative Procedure Act.

SECTION B – INSTRUCTIONS FOR CERTIFIED VENDORS

- B.1** Read each question carefully. **Do not leave blank spaces or blank blocks.** If a question does not apply, write "Does not apply" or "N/A." In most instances, however, "N/A" is not an accurate or appropriate response since each question is applicable to the Commission's inquiry. If the correct answer to a particular question is "None," write "None." If additional information is necessary to explain a response, enter "see attached" and label that information with the appropriate title, referencing the question, page and number.
- B.2** All entries must be legible, and should be typed or printed with block lettering. If the responses are not legible, the notification of change may not be accepted.
- B.3** The Vendor Information Change Form must be submitted to the Commission on **single-sided paper**.
- B.4** After carefully reviewing the Vendor's responses to each of the Commission's inquiries, the Vendor must initial the lower right corner of every page of this Form. The Vendor's initials will signify that each entry is complete and accurate. See **A.2**.
- B.5** **Sensitive Information and Personally Identifiable Information (PII)** - Vendor Information Change Forms **may** contain sensitive information and PII. Certified Vendor Information Change Forms **will** contain sensitive information and PII.

To ensure the proper transfer of the sensitive information and PII, Vendors are urged to consider sending the Change of Information Form to MLGCA via a secure document shipping company (USPS,

Fed-Ex, UPS, DHL, etc.) or arrange to have the documents hand-delivered during business hours. Vendors should **not** send any document containing PII as an attachment to an email.

- B.6 Vendor Owners** - Vendors have a continuing obligation to provide the Commission with information for **each person or entity who owns more than five percent (5%) of the Vendor or its business**, to include Vendors operating as a General Partnership.

If the ownership of the company is not an individual(s), the Vendor shall draft, or have a company officer draft, a basic memorandum, letter or correspondence explaining the ownership of the Vendor and the corporate structure. Vendors should enclose attachments, filings, organizational charts or other documents to bolster the description, as needed.

If parent companies are present, the memorandum **must** describe whether the parent company will have any direct, or any indirect, contact with the casino or sports wagering entity.

The Vendor shall address the memorandum to the Maryland Lottery and Gaming Control Commission, 1800 Washington Blvd, Suite 330, Baltimore, MD 21230.

On **D.7**, enter "See attached memorandum" or "See attached letter" in the "Name" block.

If the investigation into the owners of a vendor reveals a need to request further information, MLGCA will contact the point-of-contact.

- B.7** The Vendor must ensure that every **individual** listed on **D.6, D.7** and **D.8** (Pages 9, 10, and 11) has completed and submitted a Notarized '**Authorization for Release of Information**' Form (Page 13).
- B.8** The Vendor must complete, sign, and submit a Notarized '**Authorization for Release of Information**' Form on behalf of the **Vendor's business entity**, listing the 'Business Name' on the 'From' line. (Page 14).
- B.9** It is recommended that each individual listed on **D.6, D.7**, and **D.8** contact the Maryland Department of Budget and Management's Central Collections Unit at (410) 767-1220, Monday through Friday, from 8:00 a.m. to 5:00 p.m. to determine if the individual has any unpaid debts to the State of Maryland.
- B.10A** Certified Vendor should give specific attention and clearly identify those portions of its notification of change that it deems to be confidential, proprietary commercial information, or trade secrets, and provide justification of why such materials, upon request, should not be disclosed by the State pursuant to the Public Information Act ("PIA"), Title 10, Subtitle 6, State Government Article, Annotated Code of Maryland. Confidential information supplied shall be revealed in the course of the necessary administration of this notification of change. A blanket statement by the Vendor that its entire notification of change is confidential, proprietary commercial information or a trade secret is unacceptable. Notification of changes shall be open to public inspection only after award of a license has been made, to the extent permitted by the PIA. The Vendor is advised that, upon request for this information from a third party, the Commission will make an independent determination whether the information may be disclosed. An approved Certified Vendor waives any liability of the State of Maryland, and its employees and agents the Commission, and the Maryland State Lottery and Gaming Control Agency for any damages resulting from any disclosure or publication in any manner.

When the Agency receives a PIA request, Staff retrieves and compiles all records that are responsive to the request. "Records" means all papers, emails, notes, recordings, maps, plans, forms, etc. After Staff compiles all responsive records, the Office of the Attorney General (OAG) reviews the request and the records, and makes a legal determination as to whether the records may be released. Additionally, when the Agency receives a request for records of an entity that holds a gaming-related license, or a vendor registration or certification, Agency Staff or the OAG typically advise the entity of the request and our anticipated response. The entity may file litigation to prevent the Agency from releasing records it wants kept confidential.
