- **Handle** is the amount of wagers made by players during the reporting period, including promotional play, if any.

- **Hold Percentage** is determined based on wagers that were placed during the reporting period even if the sporting event has not concluded. As a result, the reported Hold will change as wagers are settled in future periods.

- **Other Deductions** include such things as federal excise taxes paid and loss carryforward. **Loss Carryforward** occurs when a licensee pays out more in prizes than the amounts wagered during a month. Losses not recovered in the current month may be carried forward and deducted from taxable win within the subsequent 3 months.

- **Contributions to the State** represent funds payable to the BluePrint for Maryland's Future.

- **Expired Prizes** are included in the Prizes Paid total in the month they expire. Funds are transferred to the Problem Gambling Fund.

**Note:** Handle and prizes paid during the Controlled Demonstrations conducted by each Licensee are included in their initial monthly data.
