- The monthly financial statements will be provided separately when received from the auditors.

III. SPECIAL PROJECTS

- The department has participated in the Agency's fixed assets system implementation process. This system is expected to not only reduce the length of time to approve Agency procurement requests but also to allow for real time status of such requests. Additionally, it is expected that the inventory control module will create efficiencies in entries of, maintenance of and reconciliation of inventory records. The Accounting department is participating in the testing of the system. The implementation is expected in December, 2022.
- The department's Special Projects Manager is a loaned executive for the 2022 Maryland Charity Campaign which launched October 3, 2022. This is the 2nd year for this manager's participation. The campaign will end December 31, 2022.

IV. FANTASY COMPETITION

- Fantasy Competition Operator quarterly tax forms and tax revenue for the quarter ending September 30, 2022 totaled \$257,952.56.
