- **Handle** is the amount of wagers made by players during the reporting period, including promotional play, if any.
  - **Hold Percentage** is determined based on wagers that were placed during the reporting period even if the sporting event has not concluded. As a result, the reported hold will change as wagers are settled in future periods.
  - **Other Deductions** include such things as federal excise taxes paid and loss carryforward. **Loss Carryforward** occurs when a licensee pays more in prizes than the amounts wagered during a month.   - **Contributions to the State** represent funds payable to the Blueprint for Maryland's Future Fund.
  - **Expired Prizes** are included in the Prizes Paid total in the month they expire. Funds are transferred to the Problem Gambling Fund.
- Note:** Handle and prizes paid during each licensee's controlled demonstration are included in their initial monthly data.
