**Chapter 2 - Midi Baccarat Tables.**

A. Midi Baccarat shall be played on a table having:

- (1) Numbered positions for no more than nine seated players on one side of the table; and
- (2) A place for the dealer on the opposite side of the table.

B. A facility operator shall submit to the Commission for approval the layout for a Midi Baccarat table, which shall contain at least:

- (1) The name or logo of the facility operator;
- (2) Separate areas designated for the placement of wagers on the Banker's Hand, Player's Hand and Tie Hand for each player;
- (3) The payout odds for all permissible wagers offered by a facility operator, except that if the payout odds are not inscribed on the layout, a sign identifying the payout odds shall be posted at each Midi Baccarat table;
- (4) An area designated for the placement of cards for the Player's Hand and Banker's Hand;
- (5) If a facility operator offers the Dragon Bonus Wager authorized under Chapter 7 - Wagers, separate areas designated for the placement of the Dragon Bonus Wager for each player;
- (6) If a facility operator offers:
  - (a) EZ Baccarat:
    - (i) Separate areas for each player designated for the placement of the Dragon 7 Insurance Wager authorized under Chapter 7 - Wagers; and
    - (ii) Inscriptions that advise players that a wager on the Banker's Hand that results in a Dragon 7 shall push and be returned to the player, except that if the information is not inscribed on the layout, a sign containing the information shall be posted at each Midi Baccarat table; and
    - (iii) Separate areas designated for the placement of the Panda 8 Insurance Wager, authorized under Chapter 7 - Wagers; and

**Maryland State Lottery and Gaming Control Agency**  
**Standard Rules - Midi Baccarat**

(b) Fortune 7 Baccarat:

(i) Separate areas for each player designated for the placement of the Fortune 7 Insurance Wager authorized under Chapter 7 - Wagers; and

(ii) Inscriptions that advise players that a wager on the Banker's Hand that results in a Fortune 7 shall push and be returned to the player, except that if the information is not inscribed on the layout, a sign containing the information shall be posted at each Mini Baccarat table; and

(iii) Separate areas designated for the placement of the One Up Insurance Wager, authorized under Chapter 7 - Wagers; and

(c) No Commission Baccarat:

(i) Inscriptions that advise players that a winning wager on the Banker's Hand totaling 6 shall be paid at odds of 1 to 2, except that if the information is not inscribed on the layout, a sign containing the information shall be posted at each Mini Baccarat table; and

(7) Unless the dealer, in accordance with the option selected in the facility operator's Rules Submission, collects the vigorish from a player at the time the winning payout is made or the table is designated for play as an EZ Baccarat table, Fortune 7 Baccarat table, or No Commission Baccarat table, numbered areas that correspond to the seat numbers for the purpose of marking vigorish;

(8) If a facility operator offers the optional Progressive Payout Wager authorized under Chapter 7 - Wagers, a separate area designated for the placement of the Royal 9 Wager for each player;

(9) If a facility operator offers the Jackpot Baccarat Wager authorized under Chapter 7 – Wagers, a separate area designated for the placement of the Jackpot Baccarat Wager for each player; and

(10) If a facility operator offers Five Treasures Baccarat Wagers authorized under Chapter 7 – Wagers, a separate area designated for the placement of the Five Treasures Baccarat Wagers for each player;

(11) If a facility operator offers Any Pair Wagers authorized under Chapter 7 – Wagers, a separate area designated for the placement of the Any Pair Wagers for each player;

**Maryland State Lottery and Gaming Control Agency**  
**Standard Rules - Midi Baccarat**

(12) If a facility operator offers Lucky Nines Wagers authorized under Chapter 7 – Wagers, a separate area designated for the placement of the Lucky Nines Wagers for each player; and

(13) If a facility operator offers Super 6 Wagers authorized under Chapter 7 – Wagers, a separate area designated for the placement of the Super 6 Wagers for each player.

C. If a facility operator offers the Progressive Payout Wager in accordance with Chapter 7 - Wagers, a Midi Baccarat table shall have a progressive table game system for the placement of Progressive Payout Wagers that shall include:

(1) A wagering device at each betting position that acknowledges or accepts the placement of the Progressive Payout Wager; and

(2) A device that controls or monitors the placement of Progressive Payout Wagers at the gaming table including a mechanism that prevents the recognition of any Progressive Payout Wager that a player attempts to place after the dealer has announced “no more bets”.

D. If marker buttons are used for the purpose of marking vigorish, the marker buttons shall be placed in the table inventory container or in a separate rack designed for the purpose of storing marker buttons.

E. If a separate rack is used, the rack shall be placed in front of the table inventory container during gaming activity.

F. A Midi Baccarat table shall have a drop box and a tip box attached on the same side of the gaming table as, but on opposite sides of, the dealer, as approved by the Commission.

G. The Commission may approve an alternative location for the tip box when a card shuffling device or other table game equipment prevents the placement of the drop box and tip box on the same side of the gaming table as, but on opposite sides of, the dealer.

H. A Midi Baccarat table shall have a discard bucket on the dealer’s side of the table.

Standard Rules - Midi Baccarat**

**Chapter 3 - Cards; Number of Decks.**

A. Midi Baccarat shall be played with six to eight decks of cards that have:

- (1) Cards that are identical in appearance; and
- (2) Two cover cards.

B. The decks of cards opened for use at a Midi Baccarat table shall be changed after the play of each dealing shoe.

**Maryland State Lottery and Gaming Control Agency**  
**Standard Rules - Midi Baccarat**

**Chapter 4 - Opening a Table for Gaming.**

A. After receiving six or more decks of cards at a table, a dealer shall inspect the cards for any defects and a floorperson assigned to the table shall verify the inspection.

B. After the cards are inspected, the dealer shall spread the cards out face up on the table, in horizontal fan shaped columns by deck according to suit and in sequence, for visual inspection by the first player to arrive at the table.

C. After the first player has been afforded an opportunity to visually inspect the cards, the dealer shall:

- (1) Turn the cards face down on the table;
- (2) Mix the cards thoroughly by washing them; and
- (3) Stack the cards.

D. If the decks of cards received at the table are preinspected and reshuffled, §§A—C of this chapter do not apply.

**Maryland State Lottery and Gaming Control Agency  
Standard Rules - Midi Baccarat**

**Chapter 5 - Shuffling and Cutting the Cards.**

A. Unless the cards were preshuffled, the dealer shall, immediately prior to commencement of play, shuffle the cards so that they are randomly intermixed, except that if the cards have been manually shuffled, the dealer shall leave the entire stack of cards intermixed but not entirely squared off so that the floorperson can verify that the shuffle did not result in any uneven distribution of cards.

B. After the cards have been shuffled, the dealer shall offer the stack of cards to a player to be cut.

(1) The cards shall be offered with the backs facing away from the dealer.

(2) The dealer shall begin with the player seated in the highest number position at the table and, working clockwise around the table, offer the stack to each player until a player accepts the cut.

(3) If a player does not accept the cut, the dealer or floorperson shall cut the cards.

(4) The cards shall be cut by placing a cover card in the stack at least ten cards in from the top or the bottom of the stack.

C. Once the cover card has been inserted into the stack, the dealer shall take all cards above the cover card and the cover card and place them on the bottom of the stack, and:

(1) Insert the second cover card in a position at least 14 cards above the bottom of the stack; and

(2) Insert the stack of cards into the dealing shoe for commencement of play.

D. After the cards have been cut and before the cards have been placed in the dealing shoe, a floorperson or above may require the cards to be recut if the floorperson or above determines that the cut was performed improperly or in any way that might affect the integrity or fairness of the game.

E. If a recut is required under §D of this chapter:

(1) The cards shall be recut by the next person entitled to cut the cards, as described in §B of this chapter; and

**Maryland State Lottery and Gaming Control Agency**  
**Standard Rules - Midi Baccarat**

(2) The stack of cards shall be inserted into the dealing shoe for commencement of play.

F. Prior to commencement of play, the dealer shall remove and expose the first card from the dealing shoe and place it, and an additional number of cards, drawn face down, equal to the face value of the first card drawn, in the discard bucket.

G. When determining the face value of the first card removed from the dealing shoe under §F of this chapter:

(1) A 10, jack, queen or king shall count as ten; and

(2) An ace shall count as one.

**Maryland State Lottery and Gaming Control Agency  
Standard Rules - Midi Baccarat**

**Chapter 6 - Value of Cards; Point Count of Hand.**

A. The value of the cards in each deck is as follows:

- (1) A card from 2 to 9 has its face value;
- (2) A 10, jack, queen or king has a value of zero; and
- (3) A ace shall has a value of one.

B. The Point Count of a hand is:

- (1) A single digit number from 0 to 9; and
- (2) Determined by totaling the value of the cards in the hand.

C. If the total point count of the cards in a hand is a two-digit number under §B of this chapter:

- (1) The left digit of the number is discarded; and
- (2) The right digit constitutes the point count of the hand.
