Maryland's Gaming Law and Sports Wagering Law are long and complex. Maryland Gaming Law is located in State Government Article, Title 9, Subtitle 1A, Annotated Code of Maryland ("SG"). The regulations promulgated by the Maryland Gaming Control Commission ("Commission") are found in Code of Maryland Regulations ("COMAR") 36.03. Collectively, SG § 9-1A *et seq.* and COMAR 36.03 are referred herein as the "Gaming Law". Maryland's Sports Wagering Law is located in SG Title 9, Subtitle 1E, and the regulations promulgated the Commission are found in COMAR 36.10. Collectively, SG § 9-1E *et seq.* and COMAR 36.03 are referred herein as the "Sports Wagering Law".

The cites referenced within this application are for explanatory purposes only, are subject to change, may be different from what is provided, and should not be relied upon. You are expected to be familiar with the current Sports Wagering Law and Gaming Law; updates and information may be found at <https://www.mdgaming.com/>.

Failure or refusal to adhere to the Gaming Law and Sports Wagering Law may result in the Commission imposing sanctions and/or penalties, to include, but not be limited to, placing conditions on the applicant; suspension or cancellation of the certification; and/or fines, and may result in criminal and/or civil charges being filed against the certificate holder.

SECTION A - ELIGIBILITY

A.1 A Sponsoring Entity for the purposes of the Non-Gaming and Non-Sports Wagering Vendor Registration Application is an applicant for, or a license holder of, a/an:

- (a) Video Lottery Facility (Casino) License;
- (b) Gaming Manufacturer License;
- (c) Gaming Contractor License;
- (d) Sports Wagering Facility License;
- (e) Sports Wagering Facility Operator License;
- (f) Mobile Sports Wagering License;
- (g) Online Sports Wagering Operator License;
- (h) Sports Wagering Contractor License; or
- (i) Authorized Non-Gaming or Non-Sports Wagering Construction Vendor.

A.2 A "Vendor" has the meaning stated in COMAR 36.03.02.17 and COMAR 36.10.06.11 and is any person who provides non-gaming or non-sports wagering goods and services to a Sponsoring Entity.

A Non-Gaming or Non-Sports Wagering Vendor is **prohibited** from providing or attempting to provide any gaming or sports wagering goods, services, parts, components, or supplies unless **licensed** by the Commission as a:

- (a) Gaming Manufacturer;
- (b) Gaming Contractor; or
- (c) Sports Wagering Contractor.

A.3 Pursuant to COMAR 36.03.02.17 and COMAR 36.10.06.11, a Vendor, unless exempt, is required to be registered with the Commission **prior to conducting any business** with a Maryland Sponsoring Entity.

SECTION B - APPLICATION NOTICES and PROHIBITIONS

- B.1** A vendor must determine if a registration application is required based on the **combined total value** of non-gaming and/or non-sports wagering goods and services to be provided, or is anticipated to be provided, to a Sponsoring Entity or multiple Sponsoring Entities, within a calendar year.
- B.2** As described in COMAR 36.03.02.17 and COMAR 36.10.06.11, a vendor that provides, or anticipates providing, non-gaming and/or non-sports wagering goods and services within a calendar year with a combined total value:
- (a) Of less than \$50,000 to a Sponsoring Entity is **exempt** from submitting an application to the Commission, but is required to be registered with Maryland SDAT;
 - (b) At or above \$50,000 to a Sponsoring Entity is required to be **Registered** by the Commission (and complete Form 1023).
- B.3** The Commission monitors all payments to Vendors by each Sponsoring Entity. If the Commission determines that a Vendor's combined total value of non-gaming and/or non-sports wagering goods and services is approaching the prescribed \$50,000 threshold, the Sponsoring Entity may delay or cease payments to the Vendor to prevent a violation of the Gaming Law or Sports Wagering Law.

If the Commission determines that a Vendor's combined total value of non-gaming and/or non-sports wagering goods and services has exceeded the prescribed \$50,000 threshold, the Sponsoring Entity is required to **cease payments to the Vendor**. The Vendor is prohibited from conducting any further business until the Commission approves the Vendor's Registration application.

Violations of Gaming Law and Sports Wagering Law related to the combined total value of non-gaming and non-sports wagering goods and services provided by a Vendor **may result in penalties or sanctions against a licensee or cancellation of a Vendor's registration**.

SECTION C – VENDOR-RELATED APPLICATIONS

- C.1 Non-Gaming and Non-Sports Wagering Vendor Registration, Form 1023.** As described in Section B.2 and as provided by COMAR 36.03.02.17 and COMAR 36.10.06.11, if a Vendor provides or anticipates providing non-gaming and non-sports wagering related goods and services with a combined total value of \$50,000 and above in a calendar year, then it is required to submit a Vendor Registration application to the Commission and seek approval as a Registered Non-Gaming and Non-Sports Wagering Vendor.

Providers of certain goods and services may be required by the Commission to submit a Vendor Registration Form **regardless of the combined annual total value**.

- C.2 Emergency Services Response Vendor Application, Form 1024.** This form is completed by the Sponsoring Entity and not by the prospective Vendor. The Commission provides Sponsoring Entities, including Construction Vendors, with the opportunity to use non-approved vendors in an emergency by completing the Emergency Services Response Vendor Application, Form 1024.

As provided by COMAR 36.03.02.17 and COMAR 36.10.06.11, this notification via Form 1024 must be completed by the Sponsoring Entity, which may include certain Construction Vendors, and submitted

to the Commission if a Sponsoring Entity encounters an emergent threat to public health, safety, or welfare that is outside its control and requires immediate provision of goods or services by a Vendor. This emergency notification shall occur no later than the next State work day.

Unless exempt, a Vendor that provided goods or services as an **emergency services response Vendor**, then must submit a Vendor Registration application to the Commission within **20 business days** of the date a Form 1024 was submitted by the Sponsoring Entity.

Any misrepresentation, failure or refusal to provide any required information; intentional omissions of material facts; misrepresentation of details; or failure or refusal to meet any other requirement as set out in the Gaming Law and Sports Wagering Law may result in the denial of the application. False or misleading statements to the Commission may subject a Vendor applicant to civil and/or criminal penalties. All submissions are subject to verification.
- G.3 Vendor’s Conduct.** Upon receipt of the registration fee, completed application, and verification of the information provided by the Vendor, the Commission will determine whether the Vendor’s conduct of business with the Sponsoring Entity is consistent with the public interest of the State and the policies in the Gaming Law and Sports Wagering Law. - G.4 SDAT Compliance.** Failure or refusal to maintain the criteria for approval, to include compliance with all Maryland State Department of Assessments and Taxation (“Maryland SDAT”) regulations, may lead to the Commission suspending or cancelling the Vendor’s Registration. Applicant’s compliance with Maryland SDAT regulations **will be audited periodically**.
- G.5 Denials.** The Commission's decision to deny or cancel a Vendor registration, or denial of the renewal of a Vendor registration, does not give rise to an appeal right under the contested case provisions of the Maryland Administrative Procedure Act. COMAR 36.03.02.17; COMAR 36.10.06.11.
- G.6 Continuing Obligation.** A Vendor is under a continuing obligation to promptly disclose any changes in information provided in the application, as well as, any changes to the materials submitted in connection with this Application. The duty to make such additional disclosures shall continue throughout any period of registration.
- G.7 Changes to Submitted Information.** The applicant shall promptly provide written notification to the Commission of any corrections or changes to this application once submitted, or to materials submitted in connection with this Application. The Applicant may submit a copy of the ‘General Information’ page (<https://egov.maryland.gov/BusinessExpress/EntitySearch/Search>) that displays the status. The Applicant will not need to click on the >>*Order Certificate of Status*, (unless one is needed one for the Applicant’s company records). The \$20 copy of the certificate from Maryland SDAT is **not needed** for this application process.

The Vendor Administrator will upload the *.pdf* into the ‘eLicensing’ system on behalf of the Applicant. Information regarding the Maryland SDAT registration process may be found at: <http://dat.maryland.gov/Pages/default.aspx>.

NOTE: The Commission periodically monitors each Vendor’s compliance with Maryland SDAT. Vendors who fail to abide by Maryland SDAT regulations and do not maintain “Good Standing” status, or allow their Maryland Business Charter to become “Forfeited”, may no longer conduct business in Maryland. The Vendor’s approved registration by the Commission will be **cancelled**, and the Vendor will be prohibited from conducting business with any Maryland Sponsoring Entity.

G.11 PIA Requests. An Applicant should clearly identify those portions of their application that they deem to be confidential, proprietary commercial information, trade secrets, or confidential financial information of the Applicant and provide justification of why such materials may not be disclosed by the Commission pursuant to a request made under the Public Information Act (“PIA”), Title 4, Subtitle 3, General Provisions Article, Annotated Code of Maryland (“GP”). An Applicant’s blanket statement that its entire application is “confidential” is unacceptable. Confidential information supplied by the Applicant shall be used in the ordinary course of processing an application and evaluating the qualifications of an Applicant.

Applications may be subject to partial disclosure pursuant to a request under the PIA. When the Commission receives a PIA request, Staff will collect and review all records that are responsive to the request. The Commission will notify an Applicant of a request made under the PIA and will consider the Applicant’s views as to whether the requested information is exempt from disclosure under the PIA. The Commission will make a determination as to whether the information may be disclosed.
