### STAFF AGENDA MEMORANDUM

**DATE OF MEETING:** May 22, 2025

**AGENDA ITEM:** MLGCA IT – Access Control and Surveillance System (2024-05)  
ADPICS No.: E75P5600025

**PRESENTER:** James Nielsen, Deputy Director / COO

**ISSUE SUMMARY:** This is a new Task Order/Purchase Order under a Master Contract (4-IT DoIT award date 10/31/2012) with EN-Net Services for a new Access Control and Surveillance System for Agency headquarters, in the amount of \$235,077.64.

The existing access control and surveillance systems are badly out of date, subject to failure and no longer able to support our business needs. This contract will replace both systems with new, fully supported, digital solutions. This contract includes provision of all equipment (swipe pads, cameras, servers), software licenses, installation of the equipment and network / data cabling (CAT 6 or better), 12 month's post launch support, and staff training.

This procurement was open to only Small Business Reserve Qualified contractors on the Master Contract List. Although a total of 17 Master Contractors are listed and were solicited, only one provided a quote. This TORFP is for hardware, training, installation, and support from the manufacturer including a 10-year warranty. The price has been determined to be fair and reasonable. This bid is the most advantageous to the State.

This Contract is being submitted to the Commission for review and approval. If Commission approval is obtained, the Contract will then be submitted to DGS for inclusion on the next available BPW Agenda.

**COMMISSION ACTION REQUIRED/REQUESTED:** Discussion, consideration, and possible action.

**STAFF RECOMMENDATION:** Staff recommends approval.
