SUBJECT: Summary of recent and upcoming tasks

Our Unit of the Office of the Attorney General is assigned to provide legal advice and counsel to the Maryland Lottery and Gaming Control Agency (Agency), Agency Staff (Staff), and the Maryland Lottery and Gaming Control Commission (Commission).

The legal advice and counsel that our AAGs provide is generally considered confidential and legally privileged, so we cannot provide specific details about our work in this publicly available Memorandum. However, we strive to provide updates on special projects or notable issues for which our Unit has recently provided, or anticipates providing, legal support:

- The Anne Arundel County Circuit Court dismissed a former video lottery employee's petition for judicial review of his license revocation.
- Assist Staff with proposed regulatory changes.
- Support the Agency's procurement processes.
- Assist Staff with licensing-related matters in all of the Agency's regulated gaming activities.
- Assist with the Agency's efforts to address unauthorized gaming activity in the State.
- Continue to defend the Commission in the *KalshieEx v. John Martin, et al.* in federal court. Contact AAG Erik Delfosse, at erik.delfosse@maryland.gov, if you have any questions regarding this ongoing litigation.

Our Unit's AAGs are available to discuss your legal issues and concerns. Please feel free to contact me at holly.citko@maryland.gov, or 410-230-8942.
