Outreach

Doing Business with Maryland Casinos

This outreach event is an opportunity for small, minority, women and veteran owned businesses to learn about the procurement process and services directly from the casinos. This event is held at each casino and OSBA partners with local chambers and organizations to involve the local business community where the casino is located.

Ready, Set, GROW!

This series connects vendors with buyers from several state agencies. Each will share what they are looking to buy currently, what is in their pipeline, and how to connect with them directly. Participants will gain insights on how our small, minority, women, and veteran procurement programs work and learn strategies for mining public data to help with their business development efforts. In addition, the casino that host the event will participate with other state agencies to connect with the small, minority, women and veteran businesses.
