RE: Recent and Upcoming Legal Tasks

Our unit of the Office of the Attorney General (OAG) is assigned to provide legal advice and counsel to the Maryland Lottery and Gaming Control Agency (Agency) and the Maryland Lottery and Gaming Control Commission (Commission).

The legal advice and counsel that our attorneys provide is generally considered confidential and legally privileged, so we cannot provide specific details about our work in this publicly available memorandum. However, we strive to provide updates on special projects or notable issues for which the OAG has recently provided, or anticipates providing, legal support:

- Assist with proposed regulatory changes.
- Support the Agency's procurement processes.
- Assist with lottery games and promotions.
- Assist with licensing-related matters for regulated gaming activities.
- Assist the Agency's efforts to address unauthorized gaming activity in the State.
- Continue to defend the Commission in the *KalshiEx v. John Martin, et al.* in federal court. Contact AAG Erik Delfosse, at erik.delfosse@maryland.gov, with any questions regarding this ongoing litigation.
- In coordination with the OAG Contract Litigation Unit, defend the Agency, Commission, and individually named employees in *Scientific Games v. MLGCA, et al.*, C-02-CV-25-003034 filed on October 17, 2025 in the Circuit Court for Anne Arundel County. Contact AAG Erik Delfosse, at erik.delfosse@maryland.gov, with any questions regarding this ongoing litigation.

The OAG is available to discuss your legal issues and concerns. Please feel free to contact me at holly.knepper@maryland.gov or by phone at (410) 230 - 8942.
