SECTION A - IMPORTANT NOTICES

- A.1** This form is an official document of the Maryland Lottery and Gaming Control Commission (“Commission”). It may not be altered or changed, except to insert the information that is required. Any alteration or change to this document may cause this application or your license to be delayed or denied.
- A.2** The burden of proving qualifications is at all times on the Principal Entity. The Principal Entity accepts any and all risk of adverse public notice, embarrassment, criticism, emotional distress or financial loss that may result from any action with respect to this application. The Principal Entity expressly waives any and all claims for damages as result thereof. Information not called for in this form or in addition to that which is provided in response to this form may be requested. The Principal Entity shall provide all information, documents, materials and certifications at the Principal Entity’s expense.
- A.3** The Principal Entity ***must*** make complete, accurate and truthful statements and include all material facts. Any misrepresentations, failure to provide any requested information, or failure to meet any other requirement as set out in law or regulation may result in the denial of the application; revocation of any license issued; and may subject the Principal Entity to civil and/or criminal penalties.
- A.4** The background investigation of the Principal Entity shall be conducted as part of the background investigation of the Video Lottery Terminal Operation License Applicant (“Applicant”). The Applicant is responsible for payment of the administrative costs associated with the Principal Entity’s background investigation; however, the Applicant and the Principal Entity may arrange to allocate those costs between them.
- A.5** The Principal Entity is under a continuing duty to ***promptly*** disclose any changes in the information provided in the application, as well as all changes to any of the materials submitted at the request of the Commission. The duty to make such additional disclosures shall continue throughout any period of the license that is granted by the Commission.
- A.6** The Principal Entity shall ***promptly*** provide written notification to the Commission of any corrections or changes to this application once submitted or to any of the materials submitted at the request of the Commission.
- A.7** All notices regarding the application will be sent to the address provided by the Principal Entity on this form. The Principal Entity must immediately notify the Commission of any change of address.
- A.8** Any attempt by the Principal Entity to withdraw or retract this Disclosure Form may jeopardize the Applicant’s application, and the Principal Entity shall be solely responsible for the consequences of such action.
- A.9** All submissions with and for this application become the property of the Commission and ***will not*** be returned.

- A.10** A completed application with all of the original signatures, initials, and notarization must be submitted to the Maryland Lottery and Gaming Control Agency's Casino Licensing and Background Investigation Division. A copy of the completed application must be forwarded on the electronic storage device described in **A.12** and **A.13**.
- A.11** The Principal Entity must provide all accompanying documentation, attachments, appendices and/or supporting documents, (such as business formation papers and tax returns) on a **password protected**, electronic storage device, such as a CD or 'thumb drive', in **.pdf format**. The application and each document must be saved as separate .pdf files (not one continuous .pdf), and each file must be identified by name or designated exhibit number.
- A.12** The Principal Entity is required to mail, send or transmit the password to the Licensing Division in a timely fashion. The Principal Entity should forward the password **separately** from the application.
- A.13** The Maryland Lottery and Gaming Control Agency's Casino Licensing and Background Investigation Division is referred to, throughout this application, as the "Licensing Division".

SECTION B - INSTRUCTIONS

The instructions for this Disclosure Form apply to any Principal Entity of an Applicant for a video lottery license under Subtitle 9-1a of the State Government Article ("SG") of the Annotated Code of Maryland.

- B.1** This Principal Entity Disclosure Form must be submitted for each Principal Entity of an Applicant for a video lottery license that meets the definition of "Principal Entity" in the Consolidated Definitions. See, Section D.
- B.2** Read each question carefully. Answer each and every question completely. **Do not leave blank spaces.** If a question does not apply, write "Does not apply" or "N/A." If the correct answer to a particular question is "None," write "None."
- B.3** All entries on the form must be typed or printed in block lettering. Initials or signatures must be in handwriting, unless otherwise stated by the Commission, by the person providing the information. If the answers are not legible, the application may not be accepted. Do not misstate or omit any material fact(s). All information is subject to verification. False or misleading information is grounds for the Commission to deny the application, or to suspend or revoke the license.
- B.4** The Principal Entity, if it is an individual, **must initial each page**, or if the Principal Entity is not an individual, the person authorized to complete the form on behalf of the Principal Entity (**Exhibit 13**) **must initial each page** as provided in lower right-hand corner. The Principal Entity is attesting to the accuracy and completeness of the information contained on that page and that they have read the page.
- B.5** If additional pages are required in order to answer any question, additional pages may be utilized and must be attached to the form. Be sure to indicate the number(s) of the question(s) being answered and initial each additional page. Some schedules may require disclosure of information

for more than one individual or entity or type of information. If there are multiple disclosures, make additional copies of the blank schedule and complete it for each individual or entity.

- B.6** All required documentation, such as business formation papers, tax returns and appendices, as well as the application forms that comprise an application package for a license, as listed above, **must** be submitted at the time of filing this form as described in **A.12** and **A.13**.
- B.7** Give specific attention to the clear identification of those portions of this Form that the Principal Entity deems confidential, proprietary commercial information or trade secrets, and provide justification of why such materials, upon request, should not be disclosed by the State pursuant to the Public Information Act (“PIA”), Title 10, Subtitle 6, State Government Article, Annotated Code of Maryland. Confidential information supplied shall be revealed in the course of the necessary administration of this application. A blanket statement by a Principal Entity that its entire application is confidential, proprietary commercial information or a trade secret is unacceptable. Applications shall be open to public inspection only after award of a license has been made, to the extent permitted by the PIA. The Principal Entity is advised that, upon request for this information from a third party, the Commission will make an independent determination whether the information may be disclosed. A Principal Entity or licensee waives any liability of the State of Maryland, and its employees and agents, the Commission, and the Maryland State Lottery and Gaming Control Agency for any damages resulting from any disclosure or publication in any manner.

When the Agency receives a PIA request, Staff retrieves and compiles all records that are responsive to the request. “Records” means all papers, emails, notes, recordings, maps, plans, forms, etc. After Staff compiles all responsive records, the Office of the Attorney General (OAG) reviews the request and the records, and makes a legal determination as to whether the records may be released. Additionally, when the Agency receives a request for records of an entity that holds a gaming-related license, or a vendor registration or certification, Agency Staff or the OAG typically advise the entity of the request and our anticipated response. The entity may file litigation to prevent the Agency from releasing records it wants kept confidential.

- B.8** The Commission may request additional financial and other information as needed.
- B.9** Principal Entities replying to a casino’s request for proposal (RFP) must submit the original application along with the original bid that is submitted in response to the RFP. A copy of this application, copies of all forms accompanying the application and a copy of the proposal shall be submitted as described in **A.12** and **A.13**.
- B.10** Attach proof of registration with the Maryland Department of Assessments and Taxation (MD SDAT) to do business within the State. A “Certificate of Good Standing” must be obtained from MD SDAT (**not** from the Maryland Comptroller’s Office). A Principal Entity will need to determine if the company’s status is listed as in “Good Standing” by checking the following: <http://sdat.resiusa.org/ucc-charter/Pages/CharterSearch/default.aspx>. Assistance with this process may be obtained from: <http://dat.maryland.gov/Pages/default.aspx> or by sending email inquiries to charterhelp@dat.state.md.us if necessary. Submit documentation in the manner described in **A.12** and **A.13**, as a separate .pdf file, labeled as “**MD SDAT**”.

EXHIBIT 15
REQUEST FOR FEDERAL TAX RETURN

The IRS Form 4506-T is required to be executed so that the Commission will be authorized to obtain independent verification of the Principal Entity's filing of required federal tax returns.

The Principal Entity must submit 2 (two) original IRS Form 4506-T forms with the application packet. (During the course of the investigation, the Commission may need to request up to five years of returns, but the Form 4506-T only provides space to request four years, which creates a need for a second form to be completed and submitted).

Since the IRS updates the language on the Form 4506-T periodically, please check the upper left corner and determine if the revision date is current. If the enclosed form is no longer the most current, the Principal Entity is asked to retrieve an up-to-date version from the IRS website:

<https://www.irs.gov/Forms-&-Pubs>

On both copies of the Form 4506-T, the Principal Entity must complete lines 1 through 4; check the "Signatory declaration" block; sign the form; date the form; and enter a telephone number corresponding to line 1a.

Since the Licensing Division will need to determine which tax returns will be necessary to complete the financial stability inquiries, the Principal Entity is requested to leave lines 6 through 9 blank. It is recommended that the Principal Entity contact the Licensing Division if the Principal Entity has questions or concerns regarding the cautionary notes above line 6 and below line 9.
