- The new Administrative Office I employee assigned to Supportive Services is scheduled to begin on June 24th.
- Three Facilities employees successfully completed the Annual Property Officer Training, ensuring continued compliance with State requirements and best practices.
- We have completed the quarterly vehicle inspections in collaboration with the Sales Department, ensuring Agency vehicles remain compliant, safe, and properly maintained.
- We are continuing our spring cleaning and organization efforts. Current activities include removing and relocating items from the IT cubicle area to improve workspace efficiency and organization.

D. WAREHOUSE

The Instant Ticket Warehouse is tasked with efficiently packing all of the instant tickets shipped to lottery retailers. Orders are initiated through the Tel-Sell operation, managed by our lottery central system vendor. Once an order is placed, it is sent directly to the warehouse for fulfillment. In conjunction with the launch of new instant games, most retailers receive an initial allocation to ensure that tickets are readily available throughout the state. Fulfilled orders are dispatched via UPS and Falcon Express, ensuring next-day delivery to retailer locations. Beyond filling orders, the warehouse also monitors both carriers to ensure accurate billing and timely delivery, maintaining a high standard of service for our lottery retailers.
