Yasin Mohammed
Director, Statewide Strategic Sourcing & Category Mgmt.

Dear Offerors and Interested Parties:

The Maryland Department of General Services, on behalf of the Maryland State Lottery and Gaming Control Agency (MLGCA), hereby notifies all prospective offerors that **Solicitation BPM057747, Lottery Central Monitoring and Control System and Related Services, is resuming following the previously announced hold.**

ALL interested offerors are encouraged to submit proposals in response to this solicitation. The State welcomes broad participation and encourages each prospective offeror to review the updated RFP and submit a proposal addressing its requirements.

The rescheduled pre-proposal conference will be held as follows:

- **Date:** Thursday, October 15, 2026
- **Time:** 11:00 a.m. Eastern Time
- **Location:** MLGCA Headquarters, 1800 Washington Boulevard, Baltimore, MD 21230

Conference attendance is not mandatory; however, ALL prospective offerors are encouraged to attend. The conference will help participants better understand the solicitation requirements and prepare their proposals. Prospective prime contractors are also encouraged to include their intended subcontractors. Offerors may submit proposals regardless of whether they attend the conference.

Advance RSVP is required for anyone planning to attend because of building security and entry procedures. Please complete the Pre-Proposal Conference Response Form linked in the RFP and email the completed form identifying all expected attendees to **yasin.mohammed@maryland.gov no later than Tuesday, October 13, 2026.**

Please allow sufficient time upon arrival to complete security screening and sign-in before the conference begins. Attendees should bring a copy of the RFP and a business card to facilitate sign-in. Anyone requiring sign language interpretation or other accommodations due to a disability should contact the Procurement Officer at least three business days before the conference.

Please review the updated solicitation materials and continue to monitor eMMA for the current procurement schedule, amendments, written responses to questions, and other notices. The conference summary and attendance sheet will also be made available through eMMA.

Thank you for your continued interest and participation in this procurement.
