STAFF AGENDA MEMORANDUM

DATE OF MEETING: August 22nd, 2013

AGENDA ITEM: **Maryland Live! – VLT Reduction Request Amendment**

PRESENTER: Charles LaBoy, Assistant Director for Gaming

ISSUE SUMMARY: At the March 28th 2013 meeting the Commission approved of a VLT reduction request of 413 VLTs for the Maryland Live! facility bringing their authorized number of VLTs to 4,337. We have received a request from the Maryland Live! Casino to process an amendment to their original reduction request to account for an overage of four (4) VLTs that were the result of, “assumptions made at the time of the request [that] have not come to fruition.” Approval of this request would result in a revised VLT count of 4,341 for the Maryland Live! Casino. The four (4) VLTs are currently in a storage facility and pending Commission approval will be scheduled to be placed on the gaming floor.

COMMISSION ACTION REQUIRED/REQUESTED: Approval of the amendment to Maryland Live!’s VLT reduction request.

STAFF RECOMMENDATIONS: Staff recommends Commission approval of requested actions.
