Subject: Request for 24 Hour Gaming

Gentlemen,

Given the recent provision permitting the expansion of operating hours for gaming facilities, Hollywood Casino Perryville is requesting the Maryland Lottery and Gaming Control Agency grant approval for our facility to extend our hours of operation. We are prepared to implement internal controls, surveillance and security procedures as necessary to ensure the facility is operated in a safe and legal fashion.

At this time, we would like to set our operating hours to be as follows:  
Open Friday December 28<sup>th</sup>, 2012 at 8:00am and close Wednesday January 2<sup>nd</sup>, 2013 at 2:00am.

After that our hours of operation would be as follows:  
Monday thru Thursday – 8am to 2am.  
Friday, Saturday and Sunday - open 8am Friday until 2am Monday.

We also request that should business demands allow, we would have the ability to adjust these hours and also that we be allowed to go to 24 hour gaming, 7 days a week upon the implementation of table games operations.

Thank you for your consideration,
