

ORDER EXTENDING TIME

1. The Maryland Lottery and Gaming Control Commission (“Commission”) has considered the written request of MGM National Harbor, LLC (“MGM”) on February 18, 2015 for one six-month extension of its required opening date of the Prince George’s County video lottery facility (“facility”) from February 14, 2016 to August 14, 2016.

2. The Commission has considered the recommendations of Commission Staff and representatives of MGM, and invited public discussion regarding MGM’s request.

3. Pursuant to Ann. Code of Md., State Gov’t (“SG”) § 9-1A-04(a)(1), the Commission hereby determines under SG § 9-1A-11(b)(2)(i) that extenuating circumstances exist beyond the control of MGM that necessitate granting MGM one six-month extension of time within which it must open the facility.

4. Unless MGM requests and is granted one additional six-month extension by the Commission, MGM is required to open the facility no later than August 14, 2016.
