Dear Mr. Nielsen:

Re: Hours of Operation at Ocean Downs

The Casino at Ocean Downs would like to request the following standard schedule of operating hours:

Beginning on the first Monday of October each year:

- Monday through Thursday, 8am – 4am
- Friday 8am through Monday 4am, 24 hour operation.

Beginning on the Monday one week prior to Memorial Day each year:

- Full 24 hour 7 day a week operation

Annually, from December 26th to January 2nd:

- Full 24 hour operation on all weekdays (Monday through Thursday) during the holiday week in addition to the standard 24 hour operation on weekends.

This has been our annual schedule since 24 hour operation was enacted. We have historically requested the seasonal changes in hours from the Commission on an annual basis. We would like to discontinue that practice and simply request the Commission approve these seasonal changes as our normal operating hours unless and until we make a written request otherwise.

Respectfully,

Bobbi Sample
