

Maryland State Lottery and Gaming Control Commission

STAFF AGENDA MEMORANDUM

DATE OF MEETING: October 26, 2017

AGENDA ITEM: Regulation Change –
Title 36.03.07 – Mandatory Exclusion

PRESENTER: John J. Mooney, Managing Director – Regulatory Oversight

ISSUE SUMMARY: Amendments to the above regulation

The basis for these proposed amendments is to expand .04 to allow an individual who the Director decides should be mandatorily excluded from the State's casinos to ask for a reconsideration meeting with the Director or the Director's designee as an intermediary step before appealing to the Commission. This process parallels the process for individuals who are recommended for license denial, and by these amendments would also apply in .05 to an excluded individual requesting removal from the list. The other amendments are primarily clean-up: the deletion in .03C accounts for the fact that not all of the listed items may be available for each individual; the amendment to .03D updates a statutory citation; and the deletion of .08B(7) removes the requirement for casinos to monitor other states' exclusion lists.

Staff Recommends the Commission approve the regulation changes.

COMMISSION ACTION REQUIRED/REQUESTED: Commission approval upon review and discussion.

STAFF RECOMMENDATIONS: Staff recommends approval
