

*Maryland Lottery and Gaming Control Commission*

**STAFF AGENDA MEMORANDUM**

**DATE OF MEETING:** September 19, 2013

**AGENDA ITEM:** **Emergency Regulation – Lottery Provisions – Specific Game Provisions**  
**Regulation 36.02.05.01D**

**PRESENTER:** John Martin, Assistant Director for Lottery

**ISSUE SUMMARY:** The regulation requires the Agency to disseminate consumer game information through paper documents, *i.e.* brochures. To maintain a professional image, the Agency uses high quality, glossy paper which is costly. Game information and rules change frequently. The proposed amendments would: (1) reduce Agency costs currently spent on printing and copying fees when changes are made to brochures; and (2) enable the Agency to disseminate new information about game and rule changes to consumers more quickly and directly. Additional proposed amendments to Regulation .01 are purely stylistic to conform to COMAR style requirements.

**COMMISSION ACTION REQUIRED/REQUESTED:** Commission approval upon review and discussion.

**STAFF RECOMMENDATIONS:** Staff recommends approval
